

GLADSTONE GALLERY

“Carroll Dunham,” *Time Out New York*, April 9, 2018

Carroll Dunham

Art, Contemporary | [Gladstone Gallery](#), Chelsea | Friday April 20 2018 - Saturday June 16 2018

Courtesy Gladstone Gallery

Turning away from his recent focus on female nudes, Dunham has been working over the past year on a new series of wrestling men—also naked and also treated with his signature cartoonish flair. They're seen grappling with each other in stylized landscapes populated by various critters surveying the mayhem, which is charged with a distinctly homoerotic undercurrent.
