## A Conceptual Artist Sets The New York Times on Fire

Rirkrit Tiravanija creates a performance piece for T in under an hour, using seven items.

**RIRKRIT TIRAVANIJA, ARTIST**

The artist accepts T's challenge to make something in less than an hour – and turns it into a fiery performance. Published On June 11, 2018

Rirkrit Tiravanija is known for turning everyday items – like newspapers, cooking utensils and even entire meals – into art, making him uniquely suited to “Make T Something,” our video series where we invite people to create something exclusively for us. See what he created in under an hour using only the supplies we had on hand – including a copy of The Times.
